

TOUGH, TOUGHER, TIGER

The Tiiger Transformer Dolly **Our Compact Dolly** **Packs a Big Punch!**

**Constructed With High Yield
Strength Steel**

The Tiiger Transformer Dolly

- ◆ Designed For Safe And Easy Handling Of Pole Mounted Transformer
- ◆ Can Accommodate Various Size Transformers
- ◆ Compact Design For Use In Small Spaces

Your Safest And Most Effective Choice In Transformer Handling!

Simple To Operate...

- ◆ Properly position the Hook Brackets with the chain to accommodate the transformer size.
- ◆ Tilt the **Transformer Dolly** forward allowing the hook brackets to be lowered for attachment to the transformer.
- ◆ Set the hand-brake to prevent the dolly from rolling back while using the pilot wheel **Step** to upright the unit.
- ◆ Release the brake and...

...Off You Go!

- ◆ Designed to maintain vertical positioning of the transformer - preventing leakage
- ◆ Equipped with low pressure turf tires, engineered with a standard trailer hub and sealed bearings
- ◆ Equipped with a third pilot wheel to allow 360° steering

The combination of the main wheel and third pilot wheel results in an extremely ergonomic design eliminating excessive arm strain for the user
